# The Grapevine

We celebrated **our wonderful volunteers** with a special afternoon tea. Volunteers shared their experiences of what they have done over the time they have been involved in the volunteer program with Boandik, it was great to hear their stories.

St Mary's has a small but merry band of volunteers and we greatly appreciate everything they do to help our residents, from weekly activities, entertainment, hair-dressing, one on one visits, events, escorts, footy tipping, cooking and outings, just to name a few.

**Thank you to all our volunteers.**

Last Tuesday Kevin Sporer came along and played some wonderful country music. Residents and staff were dancing and singing, a great time was had by all.
